(Prior knowledge might come in handy, but is not at all necessary.)

With the **Full Guide** you will be able to **Empower Yourself**.

- Do things Where and When they go easily.
- Know when to act, how to act, and when to rest.
- Know the qualities of at least the next 111 days to benefit from the Tailwind of the Cosmos.
- Know your Personal Good “Signs” according to your BaZi, benefit from Auspicious Days and Hours.
- Know your Personal Good “Mountains” in Feng Shui, benefit from Auspicious Locations & Directions.
- Know and understand your Strengths, based on your “Essential Qualities” in your BaZi.
- Know how to utilize your Personal Blessings from the Universe, in Time and Space.
- Know and understand the Strengths of your Partner, benefit by trusting the power of the other.
- Know and cherish Mutual Blessings with your Partner (private and/or business).

(BaZi means the Eight Signs (Stems/Elements plus Branches/Animals) in your Chinese Horoscope.)

The **Free eBook** gives a sample of the Guide, but you will also learn a lot about **Basic Techniques**:

- How to find Magnetic North at your location (and why it's most likely NOT on your phone).
- How to find the Center of a Floorplan for your residence.
- Know about the principles of the East-West system in Feng Shui.
- How to find your "true" Hour of Birth.
- How to adjust the official time at your location to the true "Local Time".
- Know about specific qualities of days and hours.
- Know about special qualities of hexagrams in the I Ching.
- Learn much more from links to several videos.

How to best set sail for successfully reaching your goals.

Utilize **Feng Shui**: it's about your Boat.

Utilize the **Calendar and Date Selection**: it gives information about the Weather along your route.

Utilize your **BaZi**: it decides which Strategy best suits you.

This guide is unique in its integration of all these aspects and more. And the best for you:

It's not just theory, it's specifically **handmade for you personally** (yes, you do have to provide the necessary data when ordering – more or less data, depending on which of the two versions available you want).
