Feng Shui and Date Selection are always effective, but so complex and individual that liability for the consequences of individual measures must be excluded. If you are mindful of yourself and your environment, success will come.

Your request for a personal consultation on Feng Shui for gardens, houses, apartments or business premises, as well as for Personal Horoscope and Date Selection, and also for coaching for colleagues, is always welcome.

Feng Shui and Astrology can really help you move forward, especially when you are facing challenges.

Product:

These Terms & Conditions apply to "Personal 111 Success Planner & Chi Essentials" as specified in the sample published here:

http://FengShuiGuide.me/PDF/Success-Essentials_Sample.pdf

The documents delivered will hold the promised information but may differ in details. Please note that for all comments you should do the transfer from the sample to your own situation yourself. So, as a standardized product, you will get the personalized charts only. If you want to talk about the results, please consider a personal consultation, either specifically tailored to your needs, or take my offer “Me & My Space” to get started (see <http://FengShuiGuide.me/>).

Two PDFs will be provided, one with the Calendar to facilitate landscape printing, one with all the other information.

So, if you order the Diamond Edition, you will first get the PDF with your Essential Qualities, can reflect on those and let me know which Qualities and Elements to highlight in the Calendar, then get this tailored to your needs as the second PDF.

For the Emerald Edition, nothing to specify, so you’ll get both PDFs in one go.

You may copy the product as such and share with your friends, but for personal use only, and in non-modified form only.

Order:

You may order by E-Mail (fengshui@gmx.com) or some messaging service like WhatsApp or Telegram (+49-171-8818588), or by just sending money and required specifications via PayPal.

Go easy:

Order the Emerald Edition just for yourself, send the money via PayPal (so I get your name and mail address), specify your gender and birthday as a comment with PayPal. Done.

Sure, you may also order and pay by any of the other options, but this would be the easiest way.

Go Power:

Order the Diamond Edition and provide the information required from your side according to the Sample.

You may do this informally (for example as comment with PayPal), or you stick to the form which you will receive along with the bank account, confirming your order.

Please make sure that no content-related consult will become necessary, as otherwise this would have to be charged.

Product Specifications:

The product will give information for one or more persons.

If you order for several persons, please specify if you agree to have all persons in the same PDFs, or if you want separate PDFs, for example to pass on as a gift (additional handling fee requested).

If you have any special request not covered by the prices stated above, you’re welcome to explain and ask for a specific offer.

Payment:

Payment can be done either by direct transfer to a bank account or via PayPal. Please specify your preference with your order, unless done via PayPal anyway. Any charges for the transfer have to be taken by the customer, making sure that the amount to be paid arrives at the vendor.
